## Experience

**Assoc. Dir. Content Development & Branding**  
*CHOC Children's Hospital / CHOC Foundation*  
Orange, CA / 2018-Present

In my current role, I have the privilege of doing some amazing things with some amazing people.

- I create ads (google, facebook, instagram, linkedin, youtube and print) that funnel our gift pipeline;
- I take photos of patients and families which get used in proposals and reports;
- I make heartfelt videos for partners like Disney;
- I share incredible stories through photos videos and blogs which get shared all over social media;
- I analyze data to see who and where we can target for the most impact;
- I create and design campaigns and measure success and ROI and KPI's through lots of different reports.

I get to do a little bit of everything. And it is awesome.

**Asst. Dir. Foundation Relations/ Gift Processor**  
*CHOC Children's Hospital / CHOC Foundation*  
Orange, CA / 2015-2018

I was originally hired as a Gift Processor at CHOC Foundation, however, after improving a months-long process to a few weeks, I was offered the opportunity to be a grant writer. Through the creation of new relationships and the continued cultivation of existing ones, I assisted in securing several, large gifts (50k - 200k+) in support of 4.8 million dollar department goal.

**Pricing Manager**  
*Foundation Building Materials*  
Orange, CA / 2012-2015

I created and managed all price matrices for every customer. As the company grew to a national level, I assumed these responsibilities for the West Coast. I left in 2015 after completing my MPA, to pursue a nonprofit career.
